Dear Mr. Failing:

I am writing to thank you for the excellent assistance from you and your staff when the select Committee on Urban School Governance used your facilities for our hearing last week. The hearing would not have run so smoothly without the professional assistance from your staff.

Your facilities were perfect for our hearing. I really appreciated the lengths that your staff went to in making the teleconferencing run perfectly. Everything from the parking, the equipment, the sound, to the overall room set up was perfectly done. I look forward to using your facilities again.

Please let your staff know that I appreciate all of their hard efforts on making this hearing a success.

Sincerely,
